# The Five Kalahari Farms Hiking Itinerary

## **Pre-Hike Arrival & Camping – please arrive by 5pm**

The evening before the hike begins, the camp will be set up near the Doornboompan farmhouse, allowing access to an outdoor shower and toilet. This provides a comfortable starting point for the adventure ahead. The hike briefing will be held before dinner.

## **Day 1: Exploring Farm Doornboompan to Jaghuis | ±21 km**

The first day covers Doornboompan Farm, with a scenic brunch stop near the big pan with delicious homemade sourdough croissants and jams made by Talita. The hike continues over Gemsbokpan, where hikers will spend the night at the Jaghuis.

## **Day 2: Farm Olifantwater Ost to Olifants Riverbed | ±18 km**

The day starts with an exploration of Farm Olifantwater Ost, concluding with a hearty farm brunch at the farmhouse prepared by Susan. From there, the trail leads to Farm Olifantwater West with the night spent camping in the picturesque Olifants Riverbed under beautiful big Camel Thorn Trees.

## **Day 3: Farm Ellingerode to Namburn Pan | ±20 km**

Day 3 highlights the striking red dunes of Ellingerode where brunch will be enjoyed amidst the breath-taking scenery. This farm gives more insight into the daily farming life in the Kalahari. The journey then continues back to Farm Olifantwater West, where hikers will set up camp at the Pan.

## **Day 4: Final Night on Farm Neumark | ±19 km**

Day 4 is filled with beautiful dune vistas and sights where ancient Bushman tools can be seen. The final night will be spent camping amongst dunes and Camel Thorn trees on farm Neumark

## **Departure & Transfers**

Guests will be transferred to their respective transport points, concluding an unforgettable five-day Kalahari hiking adventure.
